The interior is based on the limousine, which is also spiced up and is now covered by the two screens, each with 12.3-inch, which complies with an elongated widescreen, which means that the operation SMARTER DOH JERD. In addition, the assistance and driving safety systems were significantly expanded and modernized in terms of partial autonomous control. Maybach version drives the exclusive to the top of whom is not enough, who has the possibility to buy the Cabriolet with Stern in the Maybach version, which has only been produced as an exclusive edition. The difference to the basic model is in the small but very fine Dettaglio. Cosize Caduto, for example, immediately caught the 20-inch bikes with blacksmiths. In addition to multi-tapered accents made of chrome, the headlights refined with Swarovski crystals are joined. Using several Maybach emblems, it is also not to be overlooked about which it has to be. Esclusivaments, la commissione ha adottato un Regolamento che modifica il regolamento (CEE) n. Non -binding new price recommendation: 357,000 euros. Due to the strict limitation of the number of colors, the value is sometimes significantly higher, but the Nobelkarosen was comparatively difficult to get anyway. An additional tip for true lovers is the S-Class Cabrio from the 1960s, whose timeless elegance makes an impression at every classic car meeting. But just a year old Cabriolet offers a few points of attack over the years that should be taken into account.
